Sweetest Heart of Mary

Detroit, Michigan

DEDICATION

We, the class of 1949, being loyal sons and daughters of the Blessed Mother, dedicate this volume of The MARIAN to Her, Patroness of our Alma Mater.

By this dedication, we wish to acknowledge our gratitude to Her for being our Protectoress during these past years, and to implore Her guidance in the future.

May She bestow special blessings upon our teachers and parents through whose untiring efforts it has been possible for us to obtain a Catholic education at Sweetest Heart of Mary.

Phyllis Sudomier

His Eminence Edward Cardinal Mooney

Archbishop of Detroit

With his great foresight and understanding as a leader, Edward Cardinal Mooney has guided and will continue to guide us under the watchful eye of the Church.

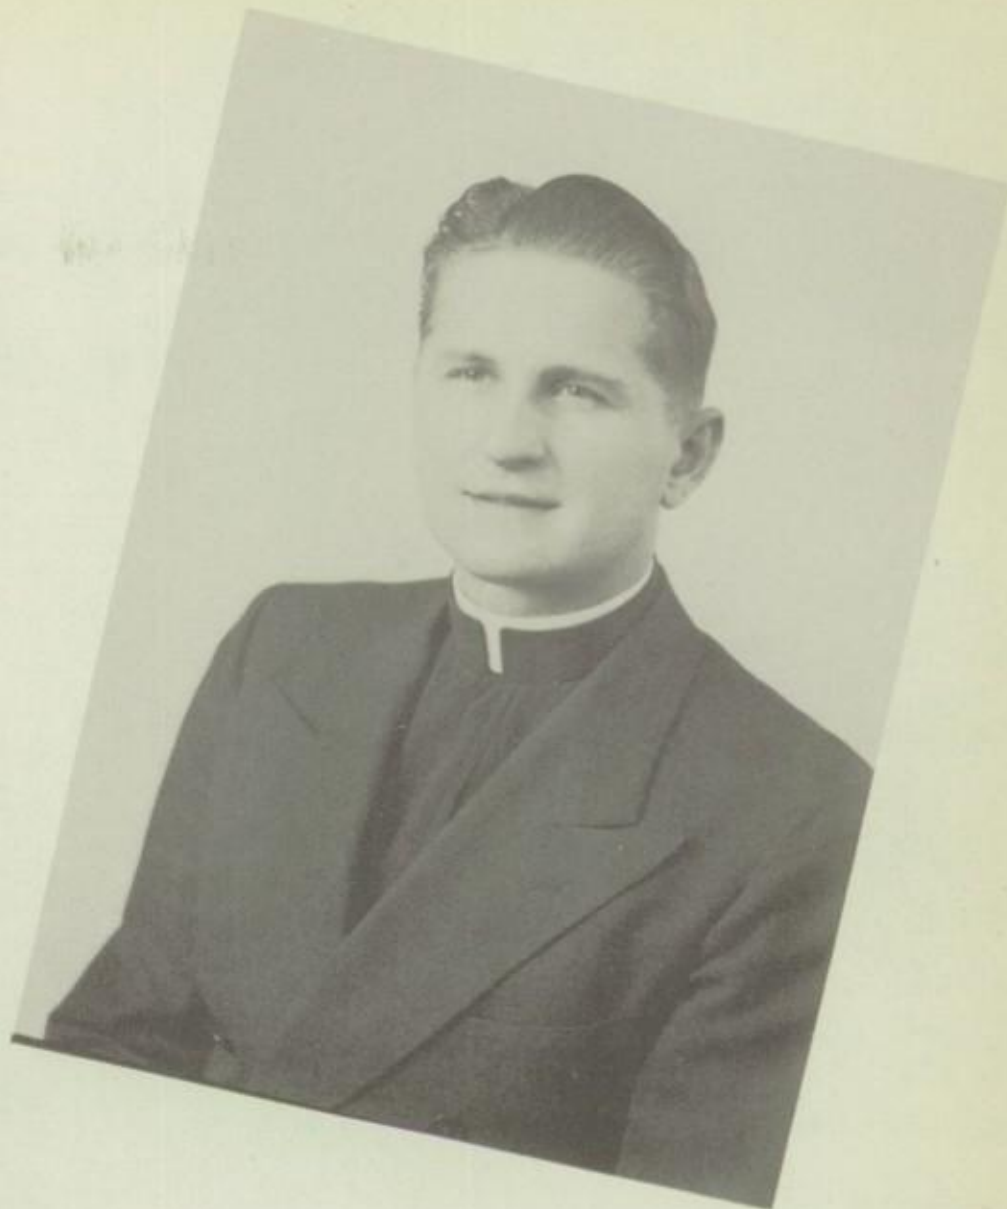

OUR BELOVED PASTOR

The Rt. Rev. Msgr. Michael J. Grupa, D.D., LL.D.

To know one who is keenly interested in our highest aspirations is to know our beloved Msgr. Grupa. He has endeared himself to us, through his constant zeal in our behalf.

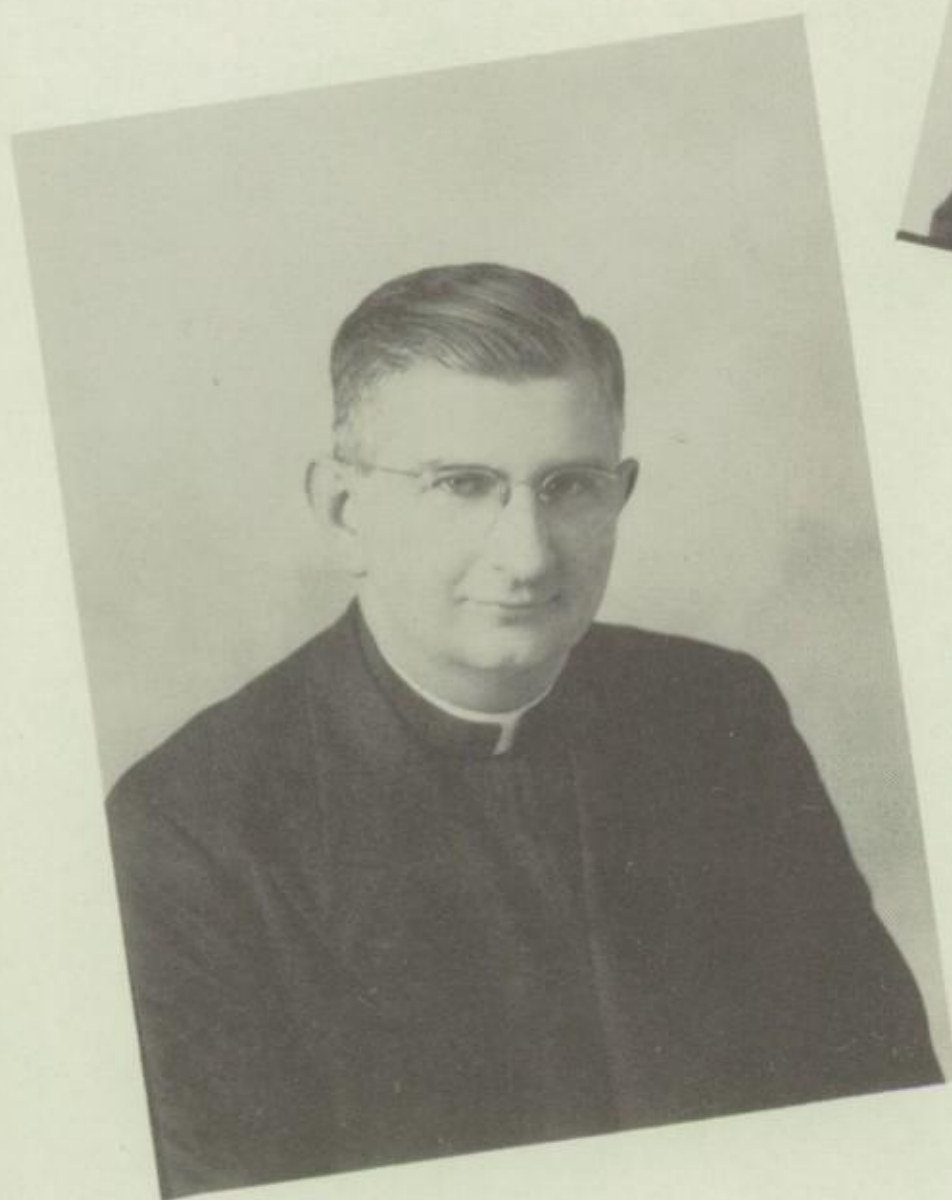

REV. JEROME HERMAN

Father Herman occupies a warm spot in every student's heart, and it is not hard to see why. As a Teacher of Religion, he makes us better Catholics. We are grateful to him and admire him--as priest, teacher and friend.

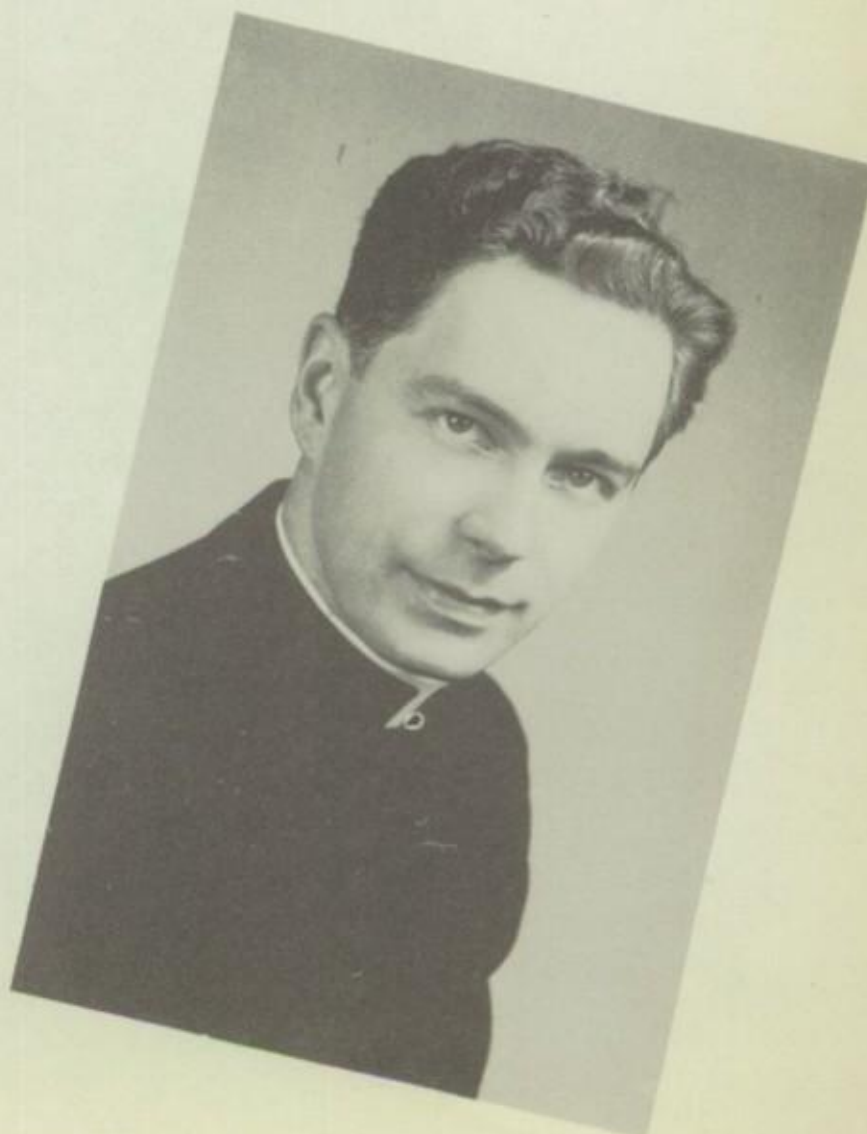

REV. STANISLAUS ROKICKI

Holding up the high ideals before us, Father Rokicki is a true friend to our Catholic youth.

REV. JEROME SMALARZ

As a Religion Teacher, Father Smalarz spares no efforts to prepare the students to face the problems of life. He has shown keen interest in the moral and spiritual welfare of the students.

THE SILVER AND GREEN

Hail! Alma Mater's colors proudly flying
Silver and Green we pledge our love undying
Memories so dear to you and me
Our Sweetest Heart we honor Thee
Tho' some love the blue and white
and others the glitter of golden light
The flash of the Green o'er Silver Sheen
Proudly unfurls our Banner
Symbols of hope and loyalty
See thru the sunshine's gleam
Tho' colors are many you'll not find any
Compared to the Silver and Green.

INTO THE CLASSROOMS

Religious training which embodies principles guiding a successful and happy life.

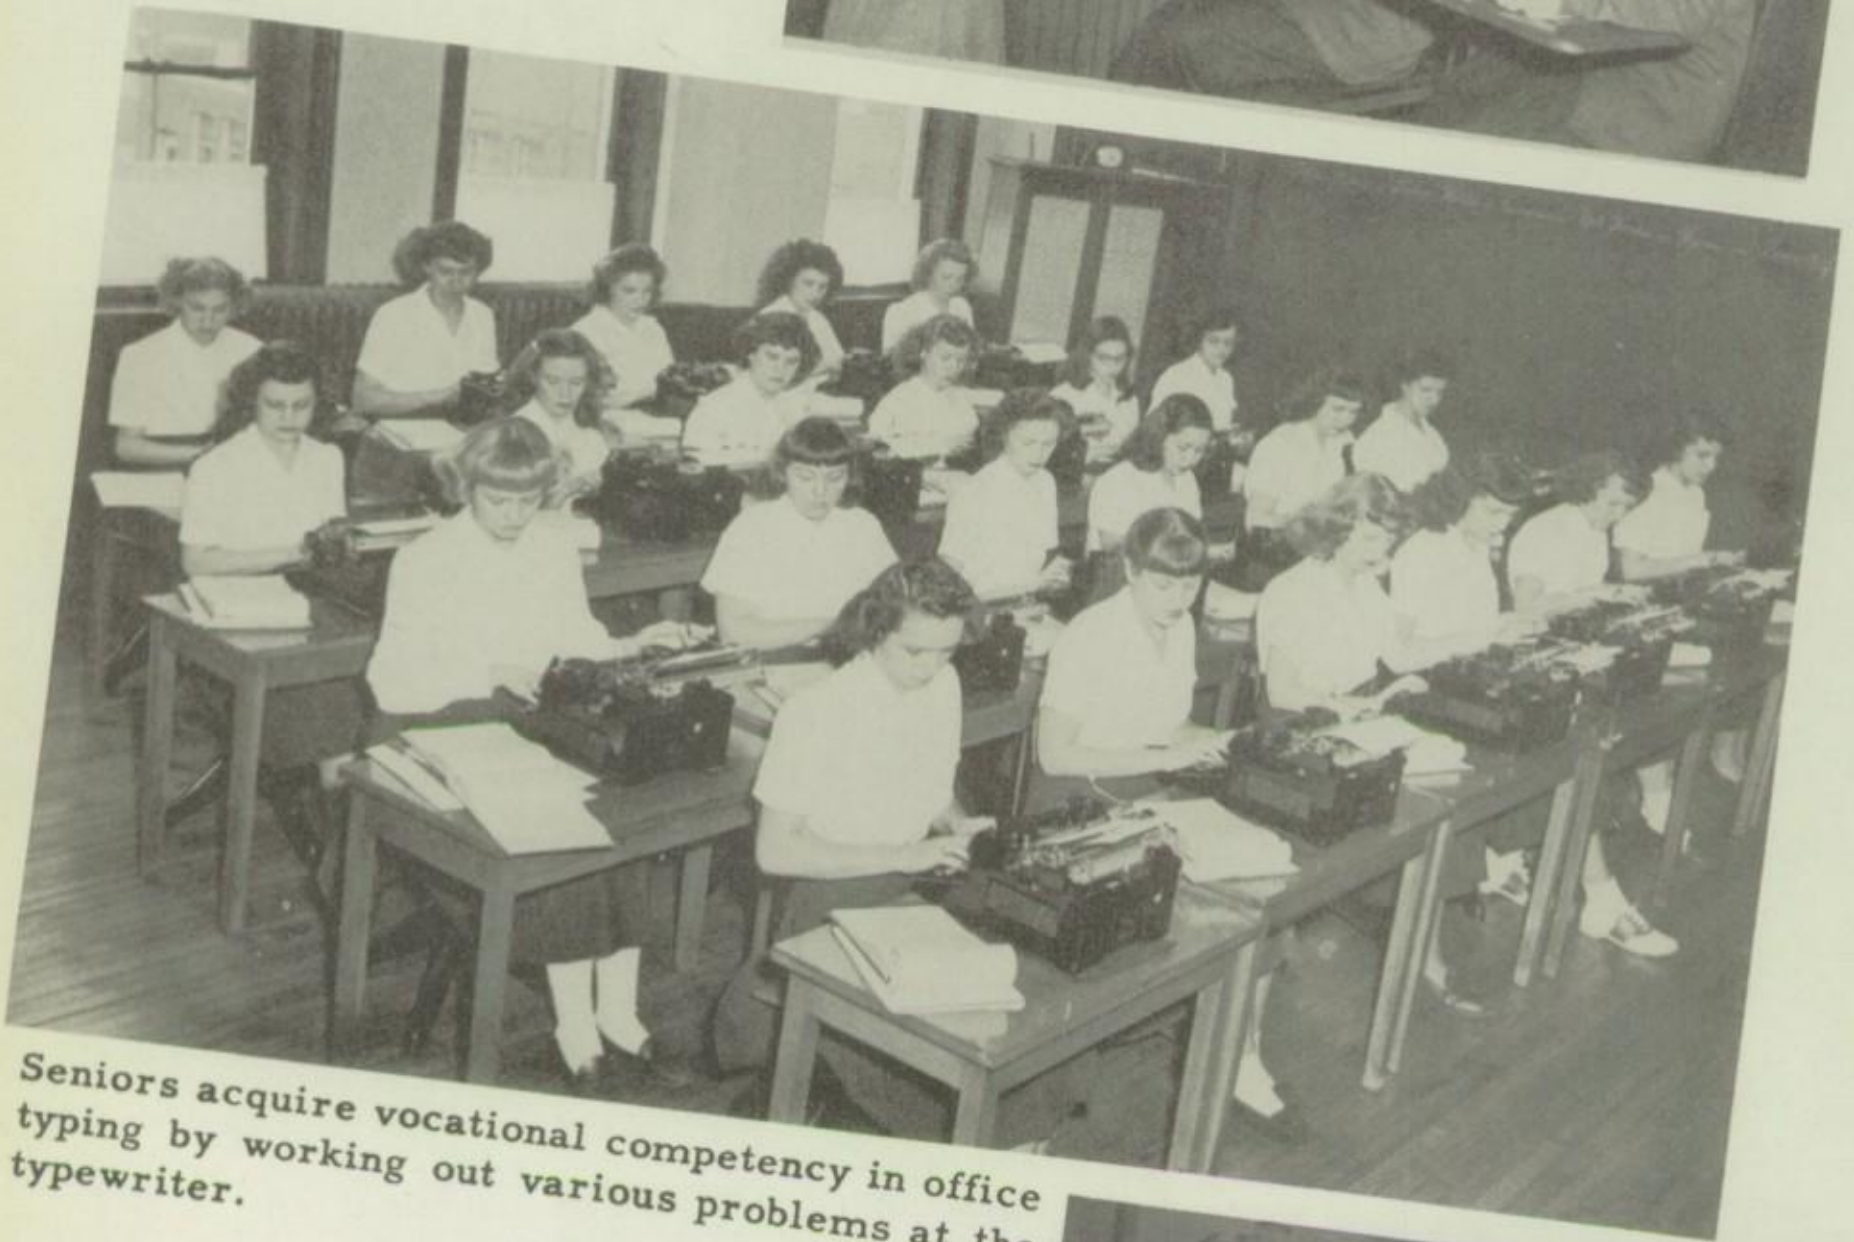

The Sophomores crave for an intimate friendship with God; they study the Means of Grace.

The freshmen are assured of right living by delving deeply into the Laws of God.

Through the example of the martyrs, the juniors experience a closer union with God.

Seniors acquire vocational competency in office typing by working out various problems at the typewriter.

Phyllis Sudomier is practicing computations on the Fell and Tarrant Comptometer.

Bookkeeping appeals to students as being practical all the way through because it teaches them all records--personal, social, and business.

BUSINESS EDUCATION

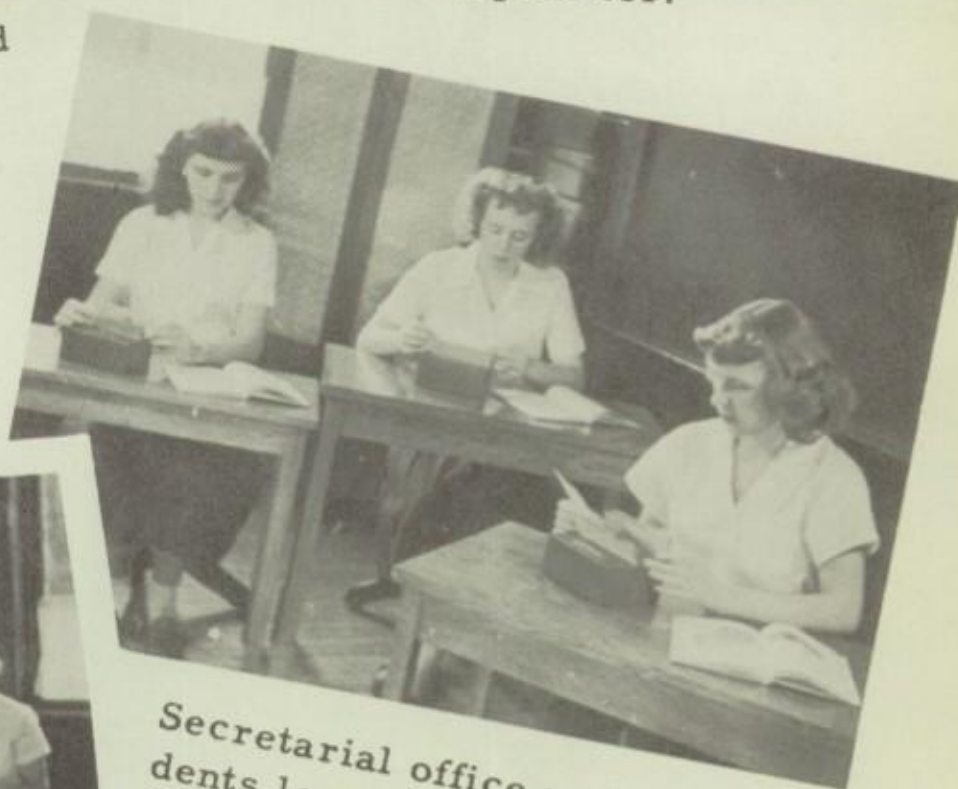

Shorthand students are fascinated by the art of brief writing.

Delphine Montiy demonstrates to Lorraine Scherer the use of the standard fluid duplicator.

Juniors learn personal typing in the first course.

Secretarial office practice students learn the science of filing through the use of a miniature filing set.

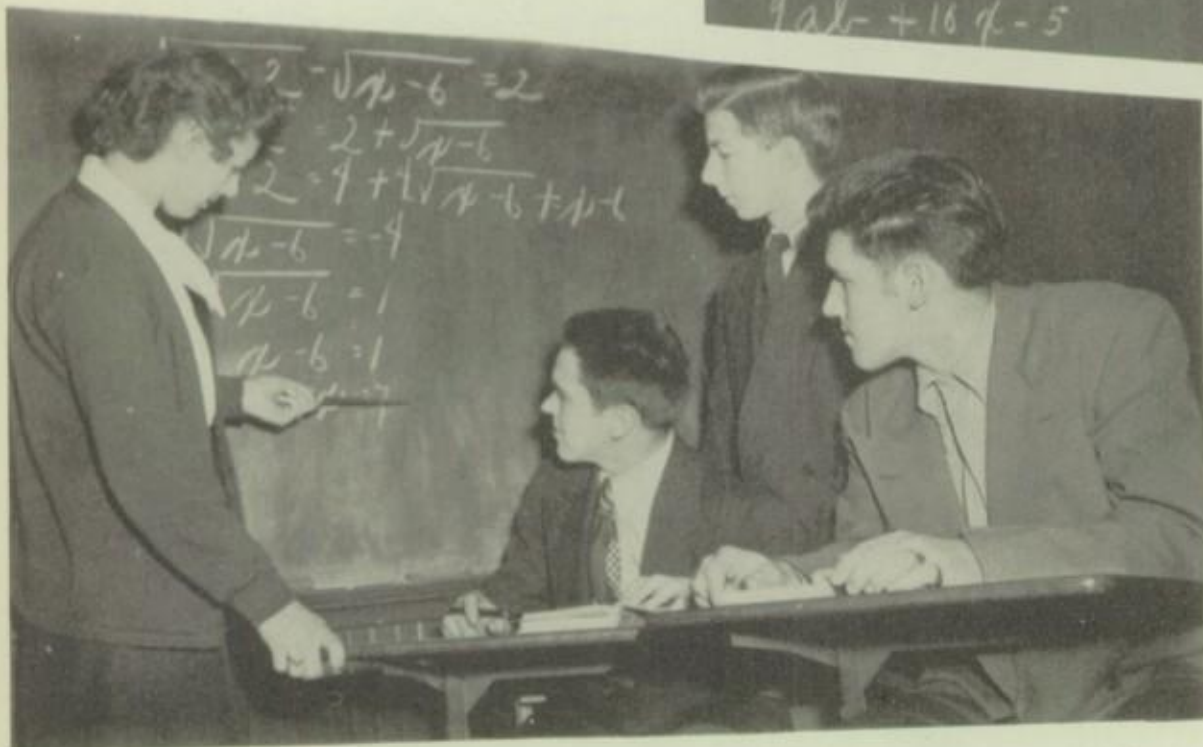

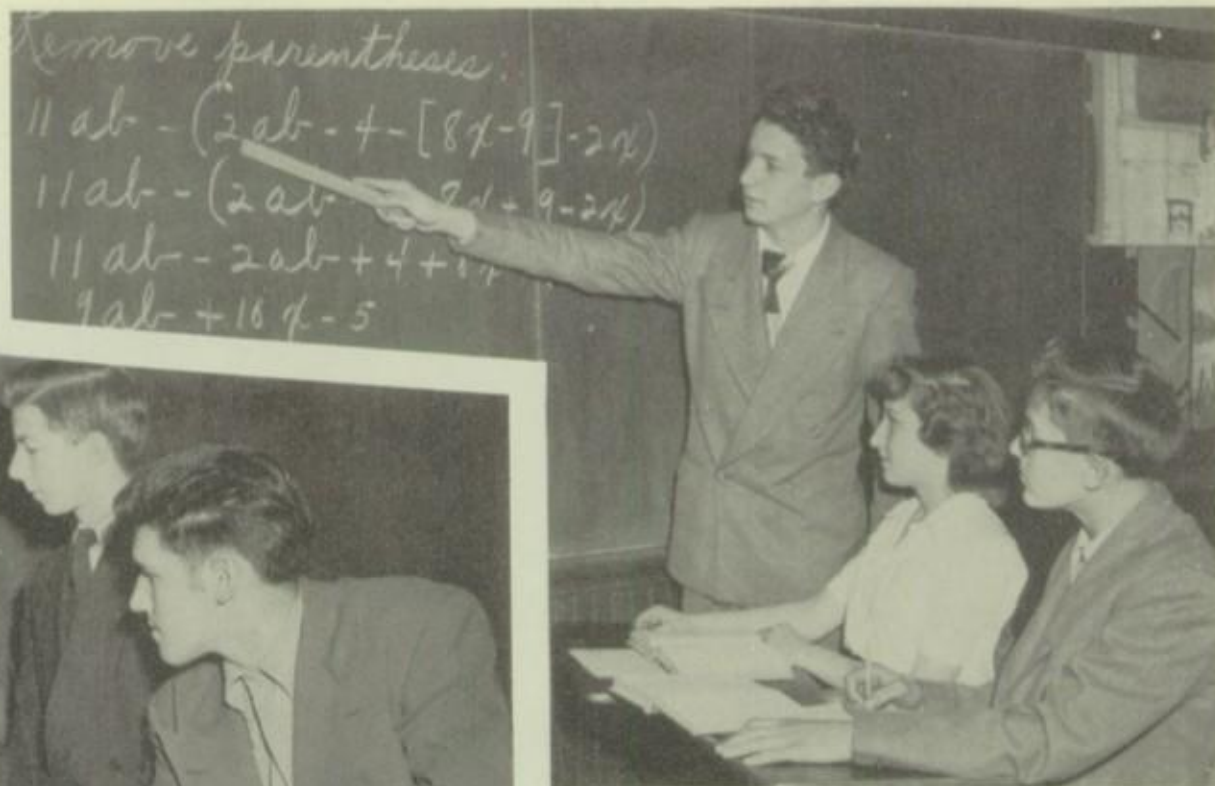

Theresa Ziebron and Joan Gancarz operate the Mimeograph.

Florence Grabowski takes her turn at the Burrough's adding machine in secretarial office practice class.

SCIENTIFIC FIELDS

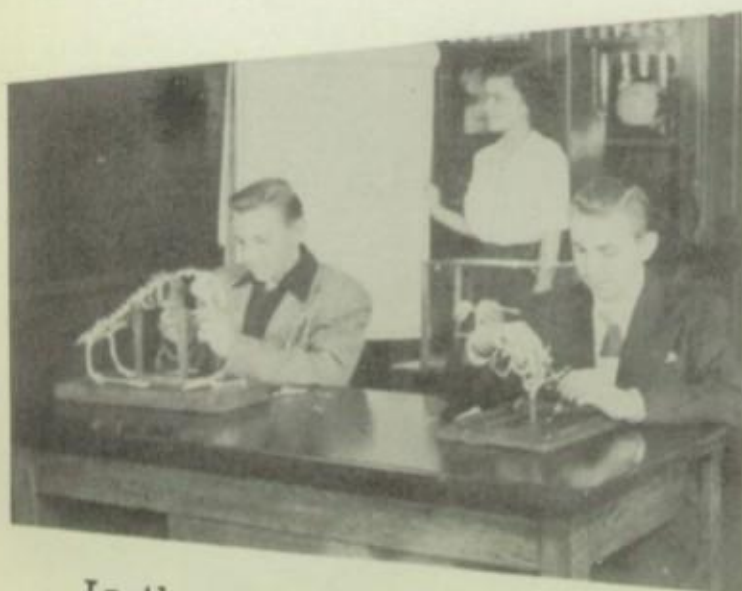

Algebraic symbols-----

Do they keep us busy both seniors and freshmen!

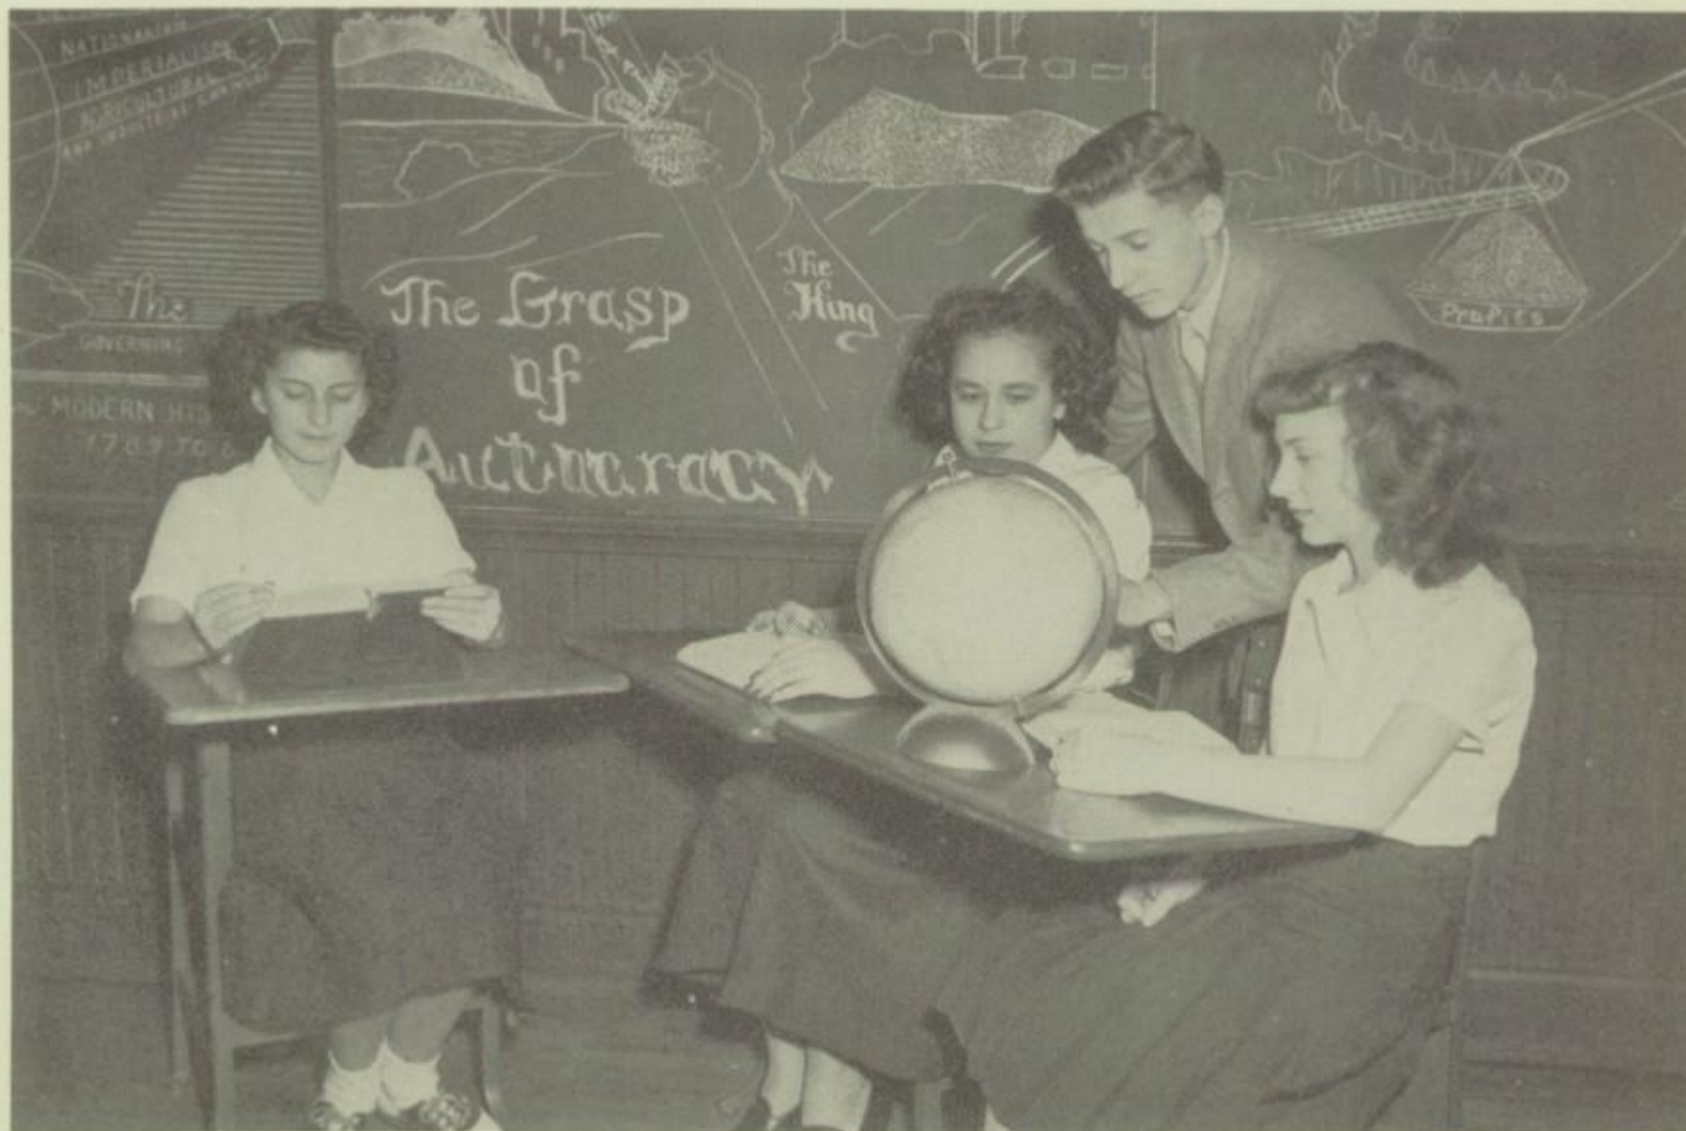

Applications of geometry to daily life.

Physics students are fascinated by the frequency of the vibration of sound.

SOCIAL STUDIES

"World Friendship, the Hope of the World", is the Modern History Student's answer to the baffling problems of today.

History students study the prominent Catholic men who helped to make American History.

COMPETENCE And CONFIDENCE

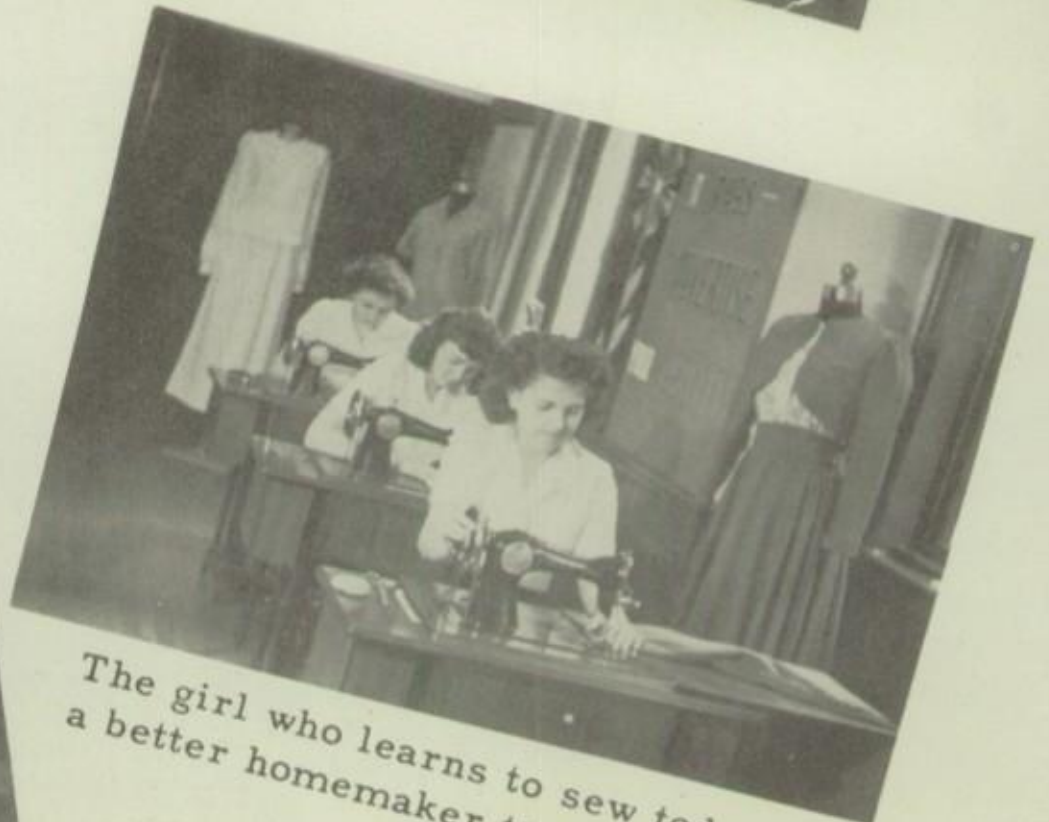

The art of sewing in practice.

Ready to wear.

Untiring practice yields fruitful results.

The girl who learns to sew today is a better homemaker tomorrow.

The Seniors appreciate the beauty and goodness of great literature.

FIELDS OF STUDY

The study of biography inspires the Sophomores.

Sophomores ponder over the life of the Romans.

Catholic Students Mission Crusade officers.

Acquiring Skill in
Mechanical Drawing.

The aim of all instrument
drawings is precision.

Students can also help.

THE MARIAN STAFF

IN CONCLUSION

We wish to express our deepest appreciation to those devoted members of the staff who put forth their hearty cooperation to produce the MARIAN.

We are greatly indebted to the many advertisers, patrons and sponsors without whom the financing of the MARIAN would have been impossible.

Now, having our dream at last realized, we, the Staff, close the cover to the 1949 edition of the MARIAN.

May God constantly shower His blessings on you all!
